**The Liverpool Collection, 25<sup>th</sup> November– 19<sup>th</sup> January, dot-art Gallery**

**The dot-art Gallery's Christmas exhibition, The Liverpool Collection, opens on Friday 25<sup>th</sup> November. This group show, the first in an annual series, showcases the work of over 20 locally based artists producing abstract, stylish and authentic interpretations of Liverpool and the surrounding area.**

The Liverpool Collection celebrates our city's iconic views and culture while also giving the discerning shopper the opportunity to buy unique Christmas gifts and support the local creative community. Whether you have a family member who has moved away from the city and would appreciate a little bit of home, an Everton loving partner or a friend who would who has moved into a new house, we have gifts for all tastes and pockets. Here are just a few...

Susan Finch creates stunning, multi-layered oil paintings of the iconic Sefton Park Palm House, full of intricate detail. If the large scale original is beyond your budget, she has also produced a limited edition of just 10 prints for the show, which are just £95 each.

If you prefer your art more graphic, the work of Michael James will be of interest. His bold, contemporary lino-prints of some of Liverpool's architectural highlights, in monochrome with chunks of primary colour, start at just £40.

Finally for the music lover in your life we have a fantastic pen and ink drawing of the Beatles by Josh Worrall. The work shows the faces of the famous four at the height of their fame; the original work is £200 and limited edition prints are available for just £40.

The exhibition continues until 19<sup>th</sup> January.

**The dot-art Gallery can be found at 14 Queen Avenue, Castle Street, Liverpool, L2 4TX.

**Notes to editors.**

dot-art supports visual artists and champions art as an integral part of everyday life.

We do this by selling locally sourced, affordable art, working with businesses to put art in the workplace and public realm, running art classes and working with schools and community groups.

All this is underpinned by our unique membership scheme for artists in the North West which gives access to all the activities above and a package of support and advice, creating and developing artists' careers.
