The Liverpool Collection, 23rd November – 12th January, dot-art Gallery

dot-art Gallery is celebrating the festive season with exhibition The Liverpool Collection, which returns for the third in an annual series of local art. Opening on Friday 23rd November, this year's exhibition will comprise 19 artists from across the Liverpool region; celebrating a city steeped in culture through a variety of distinctive artistic styles.

The Liverpool Collection showcases our city's vibrant, cultural landscape with an eclectic range of art for a variety of tastes and budgets, from indulgent, original art pieces to thoughtful limited edition prints. A watercolour Goodison Park print? A hand-embroidered acrylic painting of Sefton Palm House? Discover dot-art's Christmas collection, filled to the brim with unique Merseyside mementos and Liverpool iconography, all from our community of local creatives. Here's just a few things we have in store...

Liverpool is well known for its thriving music scene and Amanda Oliphant's beautiful mixed media collages depict one of Liverpool's most famous exports, The Beatles. These simplistic yet intricate limited edition prints are available from only £75, a stand-out gift for the music lover you know.

Phill Gornall creates stunning pen and ink renderings of Liverpool's architectural triumphs. His brisk and energetic drawings are a keen favourite among those who love a minimal aesthetic and with framed originals starting at only £160 they make the perfect, thought-filled gift.

Whether you frequented The Magnet for years or met your best friend in Cuthbert's coffee shop, you're bound to recognise one of Antonio Franco's subjects. Better known as the photographer behind 'Liverpool Shopfronts', Antonio's love for symmetry and balance is depicted in each of his charming shopfront portraits and from £35 you'll never have been a better Secret Santa!

Finally, to celebrate the third year of The Liverpool Collection we are releasing a brand new bauble design to adorn your tree alongside the must-have collectables Sefton Park Palm House and Liver Building editions. In frosted white our latest Metropolitan Cathedral bauble will glow among any Christmas themed décor and will be available online and in the gallery.

Join us for the private view on Thursday 22nd November between 5pm and 7pm for mulled wine, mince pies and Christmas carols from the Liverpool BID choir! 'Tis the season!

This exhibition opens on Friday 23rd November and runs to Saturday 12th January. Entry is free.

The dot-art Gallery can be found at 14 Queen Avenue, Castle Street, Liverpool, L2 4TX (just 5 minutes' walk from Liverpool One). Opening times: Monday – Saturday, 10am-6pm

dot-art supports visual artists and champions art as an integral part of everyday life.

We do this by selling locally sourced, affordable art, working with businesses to put art in the workplace and public realm, running art classes and working with schools and community groups.

All this is underpinned by our unique membership scheme for artists in the North West which gives access to all the activities above and a package of support and advice, creating and developing artists' careers.
