

Date: 18th August. For Immediate Release.

New Exhibition at dot-art Gallery: Grasses, Trees, Flowers and Seas.

Seeing the summer out with a splash of colour, dot-art's new exhibition Grasses, Trees, Flowers and Seas celebrates the natural beauty of the world around us through a collection of paintings by artists Hilary Dron and Steve Bayley.

Grasses, Trees, Flowers and Seas invites you to take a closer look at the world's natural wonders, from the buds of a flower to the crescendo of a crashing wave, come and immerse yourself in the breathtaking beauty of the world through paint at dot-art Gallery.

Steve Bayley works from Hub Studios in Cains Brewery Village, Liverpool. His new works include traditional & impressionistic landscapes of some of his most treasured places in Merseyside and across the world.

Liverpool born artist **Hilary Dron** has created a new body of work for the exhibition that focuses on colour, light, texture and atmosphere. Hilary has reimagined memories of places she has visited, from forests in Liverpool, mountains in Taiwan, coastlines in Ballycastle, to Sakura blossoms in Kyoto.

Through this collection, the artists encourage you to foster a personal connection with the world at a time when we need to most.

You are invited to join the artists for a Virtual Private View of the exhibition on Thursday 26th August from 5-6pm, via Zoom. Each artist will share more about their work and inspiration, followed by a video tour and Q&A. All welcome, register here <https://grasses-trees-flowers-seas.eventbrite.co.uk>

The dot-art Gallery can be found at 14 Queen Avenue, Castle Street, Liverpool, L2 4TX.

Current opening times: Wednesday – Saturday, 10am-6pm

High resolution images available on request.

Notes to editors.

dot-art supports visual artists and champions art as an integral part of everyday life.

We do this by selling locally sourced, affordable art, working with businesses to put art in the workplace and public realm, running art classes and working with schools and community groups.

All this is underpinned by our unique membership scheme for artists in the North West which gives access to all the activities above and a package of support and advice, creating and developing artists' careers.
